Commercials

Many Commercials for clients including: Braun Shavers, Proctor and Gamble products, Cat food, Dog food, Soap, Body Shop, Trailfinder ..etc
THESE WERE SHOT ON ALL FORMATS.

Documentaries

Richard was the Cameraman for Alan Whicker, “Whickers World” Britain’s foremost Travel Programme for over twenty years, the locations were world wide . There were also many other trips around the globe working with other TV presenters.

Two Documentaries..”The Boy in the Bubble” and “Lorenzo’s Oil” both shot in America, were seen in LA and two major movies were made as a result .

Other Activities

Along with his Partner, Mary Lou Clarke, he founded and supports one of the major web sites globally for film students. www.reelshowint.com
This site encourages film students around the world to display their talents and showreels on the web.

Reelshow International Ltd has also created a teaching method for enthusiastic film makers of all ages, called YOU CREW.
<http://filmschools.reelshowint.com/you-crew-reelshow-international-filmmaking-programmes/>

Writing

Mary Lou and Richard have jointly written and published a novel. “The Sandrunners”
A story about a young Egyptian boy who takes part in the 1896 Olympics in Athens.
The book is available from [Amazon](#)

A second novel. “The Stack” a story of a British/Australian family, is about to be published in June 2012, again, it will be available on [Amazon](#)
